OUR BEGINING

Safa International established in 1989 based in United Arab Emirates which delivers well-integrated range of mass-market food products, with an aim to diversify the stereotype trend and introduce the best quality food products with innovation that reshape life's standard.

Ever since its establishment, we have added an array of products and brands to our portfolio.

Safa runs operations in 10 countries mainly in east Africa & MENA region, with portfolio of 35+ brands, over 300+ items. We are recognized as a highly reputable supplier of wide range of premium quality products. All Products of Safa International are delivered under a very sophisticated quality control environment to preserve their nutritional values.

OUR VISION

To be the leading and most innovative FMCG company in the region by providing high quality products to consumers.

OUR MISSION

Safa International is committed to supplying the consumers and customers with the finest, high-quality products. Safa supports these goals with a corporate philosophy of adhering to the highest ethical conduct in all its business dealings, treatment of its employees, and social environmental policies.

We have stayed true to our vision of creating a company that prides itself on professionalism, ethics and responsibility. Our premium Quality Food knowledge about food and capability offer our clients taste that is delicious and nutritious too.

We will deliver Premium Quality and operational excellence in every corner of the Company meet and exceed our commitments to the consumers we serve.

OUR VALUES

Commitment

Passionate ownership & determination to deliver

Ownership in managing and resolving business challenges. Actively identifying and delivering ongoing improvement initiatives, decisions, behaviours, and actions consistently supporting the success of **Safa**. Proactively addressing the needs of consumers and customers.

Achievement

Aims higher and always strives to over deliver

Proactive attitude and ambitious goals. Enhancing consumer, customer, and shareholder value. Delivering high quality and sustainable results.

Teamwork

Individuals play the game, but unified teams win the championship. Value and respect towards differences in ideas, experiences, and culture. Supporting one another in delivering on common **Safa** goals. Strong effective cross-functional relationships via engagement and cooperation. Sharing best practices, ideas, and solutions.

Entrepreneurship

Turning creative ideas into effective business solutions. Seeking new ways of doing things, challenging the status quo. Innovation to add value to the business. Adaptive to change.
